BIO

TriVistaUSA Design + Build provides innovative, award-winning designs to homeowners in Arlington, Falls Church, Alexandria and NWDC. Michael and Deborah Sauri built their team around one mission: "Our thoughtful design builds fine living." TriVistaUSA provides creative high-design solutions on time and on budget to achieve functional solutions for every client's lifestyle.

OUR WORK

Design choices can range from modern contemporary to classical, but each TriVistaUSA project begins with the same careful process: Intently listening to our clients' needs and providing innovative design solutions that stem from extensive creative arts and design backgrounds. Our focused approach means every project is assigned a dedicated team who ensures every detail is designed and built with an artisan's eye. Our clients receive a highly detailed start-to-finish experience that focuses on maximizing budgets to achieve customized and beautiful functionality.
